

## Looking Ahead

Now that you have completed your Eco Diary, you have learned a lot about environmental needs in your school, community and even around the world. This knowledge has equipped you to continue taking action in the future. The work does not stop because the project is over.

Take some time to reflect upon your project and plan for the future by answering the questions below.

1) The part of the project I enjoyed most was: \_\_\_\_\_

---

---

2) The part of the project I found most challenging was: \_\_\_\_\_

---

---

3) List the topics you researched and the actions you took in the box below.

4) Circle the ones that are most interesting to you.

5) Pick one topic or action and list three steps you can take to continue working in this area in the future:

a. Step 1: \_\_\_\_\_

b. Step 2: \_\_\_\_\_

c. Step 3: \_\_\_\_\_

Share your ideas with the rest of your class. Maybe you will find someone who is interested in the same topics as you and you can work together! There are so many possibilities, so seize the momentum of your project and keep working to improve the environment. Good luck and enjoy!
