

## Video Submission Checklist

If submitting your entry before the end of the school year, entries are due by June 9	
If submitting during the summer timeframe, entries are due before August 4	
Does the video clearly identify one Sustainable Development Goal?	
Does the video clearly show research was conducted?	
Did the video use creativity?	
Is the overall video production of good quality?	
Is the video three minutes or less?	
Did you format the video in the correct format? (MPEG4)	
Have you included English subtitles?	
Have you listed credits at the end of the video?	
Do you have your script/run of show ready in a PDF format to upload with your submission?	
Do you have contact information for each team member? <i>(Please keep in mind that finalists will not be chosen until summer so you must have a way to contact each team member).</i>	
Have you provided Renee with your summer contact information?	
<b>Please also consider the following before submitting your entry and in anticipation of having a semi-finalist team.</b>	
Did you take a team photo?	
Mark your calendar for September as there will be additional information to be collected prior to the Global KWN Summit.	
Mark your calendar for the Global KWN Summit for October 21, 2023.	
<b>Upload entries <a href="#">here</a>!</b>
